

A-Ha - All The Planes That Come In On The Quiet

Tom: D

The planes and old airport
 A long life
 Short of great events
 It seems like all the planes that come in on the quiet
 Along the coast catch a glimpse of the world
 Live and grow older
 The planes are going south
 A good mind
 Strong and little used
 It seems like all the planes that come in on the quiet
 Along the coast catch a glimpse of the world
 Live and grow older
 Don't move the tears into my life

Somebody's out here, it's hard to describe
 Do you know why?
 The planes and old airport
 A long life
 Short of great events
 It seems like all the planes that come in on the quiet
 Along the coast catch a glimpse of the world
 Live and grow older
 Don't move the tears into my life
 I find it hard, so hard to believe
 Beauty of life
 Ooooooooooooooh
 Uuuuuuuuuuuuuuuuhhhhhh
 The planes that come in on the quiet

Acordes
