

# A-Ha - Analogue (All I Want) (MTV Unplugged)

tom:  
Intro: Gm

Come back my darling one  
I'm calling on you  
The road ahead is long  
And I must warn you  
I wonder  
Where did she go  
If I failed you  
I tell ya right now  
All I want you to know I love you  
All I need is the time to show you

Come back my fallen son  
Don't let 'em fool you  
Cause when the day is done  
They'll never move you

Lay down your senseless pride

(Got more than you)  
Put out your mournful tones  
I tell you right now  
All I want you to know I love you  
All I need is the time to show you how I feel  
Feel

Lay down your senseless pride  
You traveled once too often yeh

I tell you right now  
All I want you to know I love you  
All I need is the time to show you

Oh, yeah  
You know I love you

All I need is the time to show you how I feel  
Feel  
Ooh ooh
