

A-Ha - Barely Hanging On

Tom: **Db**
Intro: **Ab Cm7 Bb Ab Cm7 Bb**

I used to be so sensible on my own
Now I'm so sensitive it's a joke
I'm getting by on decibels like a drug
And greet every brand
New day with a shrug

I'm barely hanging on
I'm barely hanging on
I'm barely hanging on
I'm barely hanging on
I'm barely hanging on

I used to be so comfortable in a suit
Almost presentable next to you
I used to be so confident in a crowd
Now I can't say my own name aloud

I'm barely hanging on
I'm barely hanging on
I'm barely hanging on
I'm barely hanging on

I'm barely hanging on

Solo
Ab Cm7 Bb 4x
Ab Cm7
And now I guess you're
Bb
Wondering why
We never could see eye to eye
Cm7 Bb
Oh but never mind
Ab Cm7 Bb
And now I guess it's hard to see
Ab Cm7
What has gotten into me
Bb
Oh but never mind
Ab Cm7 Bb
Oh but never mind
Ab Cm7 Bb
Oh but never mind

I'm barely hanging on
I'm barely hanging on
I'm barely hanging on
I'm barely hanging on
I'm barely hanging on

Solo

I'm barely hanging on
I'm barely hanging on
I'm barely hanging on
