

A-Ha - Days On End

Tom: Db

Eb7 Cm Do know why winter's such a cold and lonely place? Sky drifting by
 If you do
 Breath it in to my bleached faces
 Falling far
 The sheets of my bed disappear
 I hear the clock
 Strikes up prettily at the hours
 I wear the path deeper following you
 Girl I knew comes tired home
 From another working day
 Cooks a meal
 Puts the stove on and sees the snow
