

A-Ha - Differences

Tom: D

Raise your voice
 Give us hope
 Make us whole
 Save our souls
 We have failed so many times
 Our attempts in steep decline
 Promises we could not keep
 Differences that run too deep

We're afraid
 of ourselves

For a while
 Keep us safe
 Love is such a big idea
 If you don't see it, how can we?
 Promises we could not keep
 Differences that run too deep

Show the way
 Lead us home
 We are lost
 Give us hope

Acordes
