

A-Ha - Early Morning

Tom: D

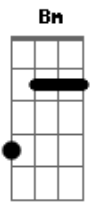

Early morning
 Eight 0'clock precise
 I see the lonely August sun arise
 Say you know you will
 Move me like you do
 Out on the fields
 I'm waiting the whole night through
 Early morning, early morning yeah
 Ran the whole way
 Down to the tracks
 Through the doorway
 Then a last look back
 Say you know you will

Save me like you do
 Out on the fields
 I've waited the whole night through
 Early morning, early morning yeah
 (Out on the fields...)
 I climbed all the stairways
 To find the rooftop clear
 Got the shotgun lying with me here
 Say you know you will
 Move me like you do
 Out on the fields
 You know how it feels yeah
 Early morning, early morning yeah
 (Out on the fields...)
 Early morning, eight 0'clock precise
