tom:

F

Intro: F Am7 G

[Primeira Parte]

There's a hunter in the hills
 I heard a shot rang out
 There's a hunter in the hills
 Of that there is no doubt

[Pré-Refrão]

Clouds sweep through the treetops
 At dawn
 Dissolving into nothing
 The battle lines are drawn

[Refrão]

Hunter in the hills
 Hunter in the hills
 He's looking for a kill

[Segunda Parte]

When I walked out that morning
 The grass was wet from dew

Found a package in the mailbox
 "Saw this book and thought of you..."

[Pré-Refrão]

You never see it coming
 You never see it fade
 Aging into nothing
 Withered and betrayed

[Refrão]

Hunter in the hills
 Hunter in the hills
 He's looking for a kill
