

# A-Ha - Lam to the Slaughter

Tom: G

Intro: Em7 Bm Em7 Bm Em7 Bm Em7 Bm

I went down to the water

Like a lamb to the slaughter

Didn't know what was waiting for me there

Nobody warned me, nobody told me

My excuse is I wasn't prepared

I drank deep from the river and sealed up my fate

I should have seen the trap, baby, before it was too late

We go down

We go down

We go down, it's the only way out

Who is this fool

Who believed all the stories?

I wish I could say it's not me

You polluted my head with the things that you said

I became what you wanted to see

All of these years I've built up this hate

I had my chance coming but now it's too late

We go down

We go down

We go down, it's the only way out

We go down

We go down, it's the only way out

I drank deep from the river and sealed up my fate

I had my chance coming but now it's too late

I drank deep from the river and sealed up my fate

I had my chance coming but now it's too late

We go down

We go down

We go down, it's the only way out

We go down

We go down

We go down, it's the only way out

Ooh ooh ooh

Down is the only way out

Ooh ooh

Down is the only way out, down ooh

Down is the only way out

Down is the only way out

Down is the only way out

Down is the only way out

Down is the only way out
