A-Ha - Less Than Pure

```
Tom: Bb
Intro: Gm7  C7  Gm7  C7  Gm7  C7  Gm7  C

             Gm7
We're going to go downtown
                  C   Dm   Gm7     D
I hear this great new place has opened up
Gm7   C    Gm7
 And when we get there
                  C     Gm7
I don't know It's taken ages
      D Bb7
Don't you know
             C
How long how long
        Bb Bb
Will this go on
             F
How long how long
 C7
Time drags on
 Bb F    C
How long I find I
       Am Eb            D7
can't go on much longer now
        G          Gm7        C
But the place in question's hard to find
       G        Gm    C
Not a cab ride to the door
        Gm      Dm     C
As you wonder in your doubtful mind
       Bb     Dm        C        Gm7  C7 Gm7  C7  G
Is it really worth all that and more
          Gm7                      C
We seem to be a little lost or something
    Gm7     D Gm7  C     Gm7
I'm not really sure about the choice we're making
                 C     Cm   D
The toil it's taking on
Bb7          C
  How long how long
     F   Bb Bb
Will this go on
                 F
How long how long
   C7
The time drags on
 Bb7 F
How long
  C7M  Am7      Eb             D7
I find I can't go on much longer now
             Gm              C
But the place in question's hard to find
         G      Gm7      C
Like an illness with no cure
          Bb         F       C
And our heads are getting wearier
         Bb             Dm    C
And our hearts are less than pure
           Gm7     C7 Gm7
Less than pure
                    C7 Bb F C7
Less than pure
    F     C
How long I find
      Am7  Eb             Adim7 D
I can't go on much longer now
    Em7                      A7
And the place in question's hard to find
        E  Em7         A
Not a cab ride to the door
         Em        Bm      A
And our heads are getting wearier
         G          Bm       A
And our hearts are less than pure
           Em7
Less than pure
                   A
Less than pure
           Em    Gbm7 A
Less than pure
        G        G  A
Less than pure
     Em            A  Em7 A7 Em G7M A
  eooooooh
```
