It's so hard to leave a trace

And i try and i try and i try

G E
But it never comes out right

C A
Yes i try and i try, and i try

G E

But i never get it right

Em C E Em
It's a minor earth, major sky

I can't see me in this endless town
Not a friendly face around
Can you hear me when i speak out loud
Hear my voice above the crowd

And i try and i try and i try
But it never comes out right
Yes i try and i try, and i try
But i never get it right

It's a minor earth, major sky

But i try and i try and i try
But it never comes out right
Yes i try and i try, and i try
But i never get it right

It's a minor earth, major sky
