G E
But it never comes out right

It's a minor earth, major sky

I can't see me in this endless town

Not a friendly face around

Can you hear me when i speak out loud

Hear my voice above the crowd

And i try and i try and i try

But it never comes out right

Yes i try and i try, and i try

But i never get it right

It's a minor earth, major sky

But i try and i try and i try

But it never comes out right

Yes i try and i try, and i try

But i never get it right

It's a minor earth, major sky
