

# A-Ha - Riding The Crest

Tom: C  
Intro: E

you search your mind  
that's what its there for  
check all the why's  
and all the wherefores  
in your mind  
you are tall and brave  
riding the crest of a high and beautiful wave  
you make your movements known  
and where you want to be  
and everybody knows  
that's how its got to be  
in the sheltered morning sun  
in the sheltered morning sun  
internally  
you make your own rules  
you'll have excuses  
the ones that you choose  
in the end  
you deem unsafe  
riding the crest  
of a high and beautiful wave  
you make your movements known  
and where you want to be  
and everybody knows  
that's how its got to be

in the sheltered morning sun  
in the sheltered morning sun  
There comes a time  
you don't even know  
what's missing  
some sugar to make the pill go down  
you need a line  
a push in the right direction  
the sugar that makes the pill go down  
true  
true to form  
true to pre-existing norms  
truly wasted  
at a rave  
riding the crest of a high and beautiful wave  
riding the crest of a high and beautiful wave (E ) E  
you make your movements known  
and where you want to be  
and everybody knows  
that's how its got to be  
in the sheltered morning sun  
in the sheltered morning sun

in the sheltered morning sun  
in the sheltered morning sun
