

A-Ha - Scoundrel Days

Tom: F

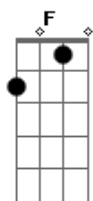

(Em Em Em Gm Dm Gm Em)
 Was that somebody screaming
 It wasn't me for sure
 I lift my head up from uneasy pillows
 Put my feet on the floor
 Cut my wrist on a bad thought
 And head for the door
 (Em Em Em Gm Dm Gm Em)
 Outside on the pavement
 The dark makes no noise
 I can feel the sweat on my lips
 Leaking into my mouth
 I'm heading out for the steep hills
 They're leaving me no choice
 Em G D Am C G D Am
 And see...as our lives are in the making
 Em G D Am C G D Am
 We believe through the lies and the hating
 Am Em
 That love goes free
 Em
 For want of an option
 Em
 I run the wind round
 Em
 I dream pictures of houses burning
 Gm
 Never knowing nothing else to do
 F C
 With death comes the morning
 Gm
 Unannounced and new
 (Em Em Em Gm Dm Gm Em)
 Was it too much to ask for
 To pull a little weight
 They forgive everything but greatness

These are scoundrel days
 And I'm close to calling out their names
 As pride hits my face
 Em G D Am C G D Am
 See...as our lives are in the making
 Em G D Am C G D
 We believe through their lies and the hating
 Am Gm F C Eb Gm F C Eb
 That love goes free through scoundrel days
 Gm F C Eb Gm F C Eb
 (Em Em Em Gm Dm Gm Em)
 I reach the edge of town
 I've got blood in my hair
 Their hands touch my body
 From everywhere
 But I know as I've made it
 As I run into the air
 Em G D Am C G D Am
 And see...as our lives are in the making
 Em G D Am C G D Am
 We believe through the lies and the hating
 Am Em G D Am C G D
 That love goes free
 Am Gm
 Through scoundrel days

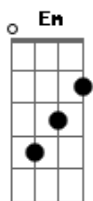

Obs: O riff inicial que acompanha as principais estrofes da música são tocados com um dedilhado baseado em apenas três/quatro cordas.
