

## A-Ha - Solace

Tom: A

<sup>D</sup>  
Some sign of forgiveness

<sup>D</sup> <sup>A</sup>  
Some form of release

<sup>D</sup> <sup>E</sup>  
Is all that she asks for

<sup>Bm</sup> <sup>D</sup>  
Is all that she needs

<sup>D</sup> <sup>A</sup>  
She waits for the day when

<sup>D</sup> <sup>A</sup>  
She feels more at ease

<sup>D</sup> <sup>E</sup>  
Some time to be careful

<sup>Bm</sup> <sup>D</sup>  
Some time left in peace

<sup>E</sup> <sup>D</sup>  
Cold stars of the future

<sup>E</sup> <sup>D</sup>  
Burn bright in the past

<sup>E</sup> <sup>D</sup>  
These moments of solace

<sup>A</sup> <sup>E</sup>  
They won't last

<sup>Bm</sup> <sup>D</sup>  
They don't last

<sup>D</sup> <sup>A</sup>  
You're wasting the moment

<sup>D</sup> <sup>A</sup>  
Biding your time

<sup>Bm</sup> <sup>E</sup>  
No one got ahead

<sup>A</sup>  
Standing in line

<sup>D</sup> <sup>A</sup>  
So something is over

<sup>D</sup> <sup>A</sup>  
Before it's begun

<sup>D</sup> <sup>E</sup>  
So close you can taste it

<sup>Bm</sup> <sup>D</sup>  
But now it is gone

<sup>E</sup> <sup>D</sup>  
Cold stars of the future

<sup>E</sup> <sup>D</sup>  
Burn bright in the past

<sup>E</sup> <sup>D</sup>  
These moments of solace

<sup>A</sup> <sup>E</sup>  
They don't last

<sup>Bm</sup> <sup>D</sup>  
They cannot last

<sup>D</sup> <sup>A</sup>  
You're hoping for solace

<sup>D</sup> <sup>A</sup>  
Well, just look around

<sup>Bm</sup> <sup>E</sup>  
Everyone here is

<sup>A</sup>  
Standing in line
