I find it hard to breathe as life just eats away

At the faces that surround me they look tired today

The lady at my table doesn't want me here  
Am D  
I just want to talk to her  
F7M Em  
But will she laugh at my accent and make fun of me  
F Em F Em F  
Oh doesn't seem like this blue sky's here for me  
F Am  
There are no girls in here as far as I can see

F Am  
Only pinned up posters looking down at me  
Dm Bb  
Watching paper cups of coffee going cold before my eyes  
Am D  
All the things I see that make me realise  
F7M Em  
I'm in this big world without you, nothing to my name
