F Am
I find it hard to breathe as life just eats away
F Am
At the faces that surround me they look tired today
Dm Bb
The lady at my table doesn't want me here
Am D
I just want to talk to her
F Em
But will she laugh at my accent and make fun of me
F Em F Em F
Oh doesn't seem like this blue sky's here for me

F Am
There are no girls in here as far as I can see

F Am
Only pinned up posters looking down at me
Dm Bb
Watching paper cups of coffee going cold before my eyes
Am D
All the things I see that make me realise
F Em
I'm in this big world without you, nothing to my name
F
Oh I never feel like blue sky meant to stay.

I'm dying to be different in the coffee shop
F Am
I live to borrow strength, now my supplies are cut
Dm Bb
Oh I'm older than my looks and younger than my years
Am D
I'm too young to take on my deepest fears
F Em
Oh I used to be confused but now I just dont know
F Am
Since you left I've been watching blue skies come and go
