

A-Ha - The Way We Talk

```
Babe, these fights of ours aren't
Intro: A Em Am7 D7 Dm7 Am7 D Dm7 Am Em Am7 D Dm7
                                                                Dm7
Am Em C7M Dm7 Em
                                                         All that fair
                                                                                 Dm7
                                                         Adim7
                                                           Was this problem always there
                      D
Sometimes the way we talk isn't
                                                             Dm7 Em7 F7M G A7M
      Dm7 Am7
                                                         If I could I'd change, I swear
All that good
                                                         ( Em Am D Dm7 G Am7 Dm7 G Am7 )
     Adim7
We can't change it though we
     Dm7 Am
                                                             Dm7 Em7 F7M G A7M
know we should
                                                         It I could, I would, I swear
                        Adim7
 Em
                                                         [Final] Dm7 Bm F7M G7M A7M
