

# A-Ha - Under The Make - Up

Tom: A

**Gbm** **A** **D** **G**  
 This is how it ends, each on our own  
**Gbm** **A** **D** **G** **B**  
 Unless we pretend meanwhile our hearts turn to stone  
**Db**  
 Shaped by wind

**D** **B** **E** **Db**  
 oohh that slowly molded over time here within

**Gbm** **D** **A**  
 I, I wanna see you under the make up  
**Db** **Gbm**  
 Let all the worry vanish away  
**D** **A**  
 I wanna hold you like it's the first time  
**Db**

Like you are still mine

**Gbm** **A** **D** **G** **Gbm**  
 If you wanted out didn't I let you go?  
**A** **D** **G** **B**  
 If you wanted in didn't I make it so?  
**Db** **D** **E** **Db**  
 It could be, tenderness escaped so easily

I, I wanna see you under the make up  
 Let all the worry vanish away  
 I wanna hold you like it's the first time  
 Like you are still mine

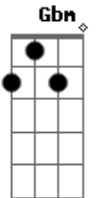

I, I wanna see you under the make up  
 Let all the worry vanish away  
 I wanna hold you like it's the first time  
 Like you are still mine

I, I wanna see you under the make up
