A-Ha - Velvet Intro

Tom: G

   Velvet was orignaly written by Paul Vaakter, when he was working with is own
group, Savoy, so tribs to this song should be to him. Aha did a reunion album a]
year back or so, and added this song to their album.

Standard tuning, easy, but nice melody.

Most of the song is just like the intro..

h= hammer-down

   G D Am

Intro: G D Am C Repeat:

Tabbed by
Frank James Wilson
