

A-Ha - White Canvas

Tom: D
Intro: G

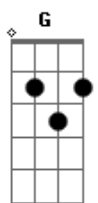

G
Stories are painted
In the lines on your face
Misunderstandings
And little mistakes
A chance to start over
Is all that it takes
You know if you do;
Your life is a canvas,
The colours are you
Follow me out, follow me round
Let's make the road up, as we go along
Just as we planned
You want to believe it,
You know that it's true;
Your life is a canvas,
The colours are you
(A G D)
You cannot erase them,
The words that were said
Just paint them over
Inside of your head
All that is needed;
You know you must make
One leap of faith
Everything else will
