You'll End Up Crying  
(Pal Waaktaar)

You'll end up crying  
With your mother's eyes  
Pretend you can't see yourself  
Could have been better  
Could have been worse

You could have been yourself

Brought up in mom's arms  
Nowhere to fall  
Now you're out climbing  
Taking it all

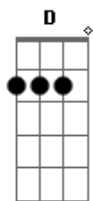

You'll end up crying  
With your mother's eyes  
Suffer that moment's pain  
Could have done better  
Could have done worse  
Lost in your love for more

Now you're out climbing  
And you should know  
You'll end up crying  
Wherever you may go

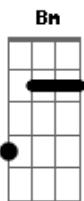

Brought up in mom's arms  
Nowhere to fall  
Now you're out climbing  
Climbing to fall

You'll end up crying  
With your mother's eyes  
Something is lost from the start  
Could have been better  
Could have been worse  
You're going to need me there.
