tom:
 Am
 I follow you in to that road
 Dm Am
 I'm not in such a rush I Know
 Dm Am G
 With no plans to follow SO where I'll go?
 Dm Am
 Because I'm not running, in my place
 G
 With breeze on my skin I create
 Dm Am G
 Wings to fly over you paradise
 Dm Am G
 Today I see you on the same place
 Dm Am G
 I have everything on my suitcase
 Dm Am
 You just need to let my to guide
 G
 Today I go further
 Dm Am G
 Lets go dancing under the moon light
 Dm Am G
 A glass, rose wine, strawberries and the sunrise
 Dm Am G
 The veil curtain that fog formed to sway
 Dm Am G
 I'll take you by the hand, lets go for a walk
 Dm Am G
 Just remember to go back paradise

Dm Am G
 Remember when the sun runs here
 Dm Am G
 Remember when she use to run there
 Dm Am G
 Remember when the sun runs here
 Dm Am G
 Remember when she use to run there

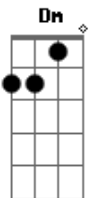

Dm
 Cause I'm having a fight
 Am
 With my own mind
 G
 With breeze on my skin

I see through the sight
 Dm Am G
 Lets go back ,to paradise
 Dm
 Cause I'm having a fight
