

A Outra Banda da Lua - Desentoadado

tom:

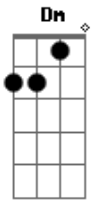

Dm

Dm Gm

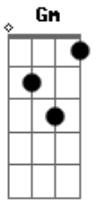

Eu sou
 Fruta do Norte
 No curral
 Sou boi de corte
 Sou água de enxurrada
 Pau preto no pé da Serra

Hoje choveu no cascalho
 Me arrastei na ribanceira
 Eu vim parar nesse lugar
 E logo me destoei
 Eu entoei uma cantiga
 Eu já entrei numa briga
 Eu entoei uma cantiga
 Eu já entrei numa briga
