

A Turma do Balão Mágico - Quadrinhas E Um Refrão

tom:

Canta, canta
 Essa canção
 São quadrinhas
 E um refrão
 Que vão fazer rima
 Com seu coração
 Rima bem pra cima
 Que nem nosso balão
 (D G C)

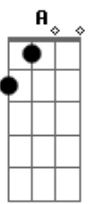

O balão foi lá pra cima
 Bem no alto ele sorriu
 Lá no céu achou a rima
 Pra essa terra do brasil
 Foi voando pelo norte
 Do amazonas ao pará
 Bateu vento muito forte
 Pro nordeste foi voar
 Voa voa voa
 Vale vale a pena
 Voa com essa gente

De pele morena
 Canta, canta
 Olha que belo horizonte
 Tem mato grosso e goiás
 Belo horizonte de minas
 Nunca se esquece jamais!

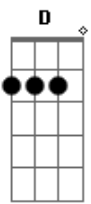

Também!
 São paulo, rio também
 Também rio de janeiro
 Até janeiro
 Tudo bem

Canta, canta
 Espírito santo
 Paraná azul
 Santa catarina
 Rio grande do sul!
 Que barbaridade!
 Que barbaridade!
 Vento minuano
 Sopra de verdade
 Canta, canta
