A-Wall - Loverboy

```
                              tom:
                        C
Intro:

[Primeira Parte]

                      C
Yeah, you can call me loverboy
                          F
They say I throw my heart around
                      C
Yeah, you can be?my?lovergirl
                          F
I'll pick you?up, drive you around
                        C
I'll show you?how to fall in love
                          F
We'll be the talk of all the town
                    C
Now everybody wants to be like us
                          F
They're getting jealous, getting now

Oh wow

[Refrão]

C
Kill the lights
        C7M
Oh baby close your eyes
             Dm
The way you're lookin' at me
          Dm
You got me mesmerized
               C
Something I can't escape
               C7M
Feel like I'm lost in space
             Dm
You got that good loving
                                  C
Girl if you leave me I might throw my heart away
C7M                         F
You know my heart can't take the break
                        C
Nothing will ever be the same
C7M                     F
We'll meet again some other day

Oh yeah

[Segunda Parte]

              C
It's such a shame
                        F
Somehow the love came to an end
                      C
You started talking to a tool
                        F
You're telling lies to all your friends
                      C
You know damn well it should be me
                  F
But I'm moving on, doing my best
                    C
Now everybody whispers things 'bout us
                      F
You're hearing voices in your head

Can't forget

[Refrão]
