Another picture on the wall ^A
 Another life I used to live ^{Gbm}
 Another meaning once untrue ^D

 So many chances passed us by ^D
 And now I've lost the strength to try ^E
 Your love was never mine to keep ^{Gbm}
 We can't hold on we're losing track ^{Bm}
 So where's the road to take us back ^D
 And how did we forget what we believed ^E

Refrão:

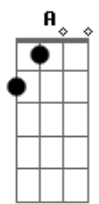

If I can't have you ^A
 And if the love has gone ^{Gbm}
 And if you just can't find it in yourself to carry on ^D
 And if you had to leave ^{Gbm}
 And take my life forever ^D
 Cuz I would never be with anybody else ^{Bm}
 If I can't have you ^A
 A

With every night I lie awake
 With every day we grow apart ^{Gbm}
 Is there a promise we can't break ^D
 We never learn from our mistakes ^E
 We can't hold on we're losing track ^{Gbm}
 So where's the road to take us back ^{Bm}
 And how did we forget what we believed ^D
 E
