

A1 - Learn To Fly

Tom: C

Verse 1:

When you feel the dream is over
 Feel the world is on your shoulders
 And you've lost the strength to carry on
 Even though the walls may crumble
 And you find you always stumble through
 Remember never to surrender to the dark

Refrão:

Coz if you turn another page
 You will see that's not the way
 The story has to end

Chorus:

If you need to find a way back
 Feel you're on the wrong track
 Give it time
 You'll learn to fly
 Tomorrow is a new day

And you will find your own way
 You'll be strong with each tear that you cry
 Then you'll learn to fly

Verse 2:

In your head so many questions
 The truth is your possession
 The answer lies within your heart
 You will see the doors are open
 If you only dare to hope and
 You will find a way to fight
 The fears that keep you down

Bridge:

Lookin at your situation
 There's so much that you can do
 Now's the time to make you stand
 This is just an observation
 In the end it's up to you
 The future's in your hands
