

# Aaron Lewis - Please Live Acoustic

Tom: G  
Intro: (2X)

Em7 D  
Can't you see that I'm sick of this?  
Em7 D  
Chances are you're oblivious  
Em7  
To how I feel  
D  
Sitting on your throne  
Em7 D  
And I'm sure that I'm not alone  
Em7 D  
Not alone  
Em7 (Pause)  
Not alone

C  
So tell me please  
D  
Who the fuck did you want me to be?  
B  
Was it something that I couldn't see?  
Em  
Never knew this would be so political  
C  
And please  
D  
I'm still wearing this miserable skin  
B  
And it's starting to tear from within  
Em  
But it's obvious that doesn't bother you  
Em7 D  
So please  
Em7 D  
I didn't think that you'd sell me out  
Em7 D

Now I know what you're all about  
Em7 D  
You might feel in control of things  
Em7 D  
But you're not holding all the strings  
Em7 D  
All the strings  
Em7  
All the strings

C  
Tell me please  
D  
Who the fuck did you want me to be?  
B  
Was it something that I couldn't see?  
Em  
Never knew this would be so political  
C  
And please  
D  
I'm still wearing this miserable skin  
B  
And it's starting to tear from within  
Em  
But it's obvious that doesn't matter to you

C  
So please  
D  
Don't keep telling me that it's okay  
B  
I don't buy all the shit that you say  
Em  
And quite honestly I'm fucking sick of it

C  
So please  
D  
If I cut off this nose from my face  
B  
Then I wouldn't feel so out of place  
Em  
But it still wouldn't be quite enough for you  
Em7  
So please
