

ABBA - Dance

Tom: Db

Oh, my love it makes me sad
 Why did things turn out so bad
 Was it just a dream, everything we did, everything we had
 Baby, give me one more dance
 While the music still goes on
 Don't think about tomorrow
 Dance and forget our time is gone
 Tonight's a night we borrow
 Let's make it a memory, a night of our own
 A thing to remember when we're all alone
 So dance, it's our way to say goodbye
 Yes, all we have to do is

Chorus

Yet it seems to make me sad
 Why did things turn out so bad

Was is just a dream, everything we did, everything we had

Chorus

Dance while the music still goes on
 Don't think about tomorrow
 Dance and forget our time is gone
 Tonight's a night we borrow
 Let's make it a memory, a night of our own
 A thing to remember when we're all alone
 So dance while the music still goes on
 And let it be our last goodbye

Dance while the music still goes on
 This is no time for crying
 Dance, don't you hear them play our song

God knows that we've been trying
 Dance while the music still goes on
 Just like the night I met you
 Dance and believe me, when you're gone
 You know I won't forget you

Acordes
