

ABBA - I have a dream

Tom: Bb

(intro) Bb F7 Bb

I have a dream, a song to sing to help me cope with anything.

If you see the wonder of a fairy tale,

You can take the future even if you fail.

I believe in angels, something good in everything I see,

I believe in angels when I know the time is right for me.

I'll cross the stream, I have a dream.

I have a dream, a fantasy to help me through reality.

And my destination makes it worth the while,

Pushing through the darkness still another mile.

I believe in angels something good in everything I see,

I believe in angels when I know the time is right for me.

I'll cross the street, I have a dream.
