

# ABBA - The Winner Takes It All

Tom: G

I don't wanna talk <sup>G</sup>  
 About the things we've gone through <sup>D</sup>  
 Though it's hurting me <sup>Am</sup>  
 Now it's history <sup>D</sup>  
 I've played all my cards <sup>G</sup>  
 And that's what you've done too <sup>D</sup>  
 Nothing more to say <sup>Am</sup>  
 No more ace to play <sup>D</sup>  
 The winner takes it all <sup>G</sup>  
 The loser standing small <sup>Em7</sup>  
 Beside the victory <sup>Am</sup>  
 That's her destiny <sup>D</sup>  
 I was in your arms <sup>G</sup>  
 Thinking I belonged there <sup>D</sup>  
 I figured it made sense <sup>Am</sup>  
 Building me a fence <sup>D</sup>  
 Building me a home <sup>G</sup>  
 Thinking I'd be strong there <sup>D</sup>  
 But I was a fool <sup>Am</sup>  
 Playing by the rules <sup>D</sup>  
 The gods may throw a dice <sup>G</sup>  
 Their minds as cold as ice <sup>Em7</sup>  
 And someone way down here <sup>Am</sup>  
 Loses someone dear <sup>D</sup>  
 The winner takes it all <sup>G</sup>  
 The loser has to fall <sup>Em7</sup>  
 It's simple and it's plain <sup>Am</sup>  
 Why should I complain <sup>D</sup>  
 But tell me does she kiss <sup>G</sup>  
 Like I used to kiss you? <sup>D</sup>  
 Does it feel the same <sup>Am</sup>  
 When she calls your name? <sup>D</sup>  
 Somewhere deep inside <sup>G</sup>  
 You must know I miss you <sup>D</sup>  
 But what can I say <sup>Am</sup>  
 Rules must be obeyed <sup>D</sup>  
 The judges will decide <sup>G</sup>  
 The likes of me abide <sup>Em7</sup>  
 Spectators of the show <sup>Am</sup>  
 Always staying low <sup>D</sup>  
 The game is on again <sup>G</sup>  
 A lover or a friend <sup>Em7</sup>  
 A big thing or a small <sup>Am</sup>  
 The winner takes it all <sup>D</sup>  
 I don't wanna talk <sup>G</sup>  
 If it makes you feel sad <sup>D</sup>  
 And I understand <sup>Am</sup>  
 You've come to shake my hand <sup>D</sup>  
 I apologize <sup>G</sup>  
 If it makes you feel bad <sup>D</sup>  
 Seeing me so tense <sup>Am</sup>  
 No self-confidence <sup>D</sup>  
 But you see <sup>D</sup>  
 The winner takes it all <sup>G</sup>  
 The winner takes it all <sup>D</sup>  
 So the winner takes it all <sup>G Em</sup>  
 And the the loser has to fall <sup>Am D</sup>  
 Throw a dice, cold as ice <sup>G Em</sup>  
 Way down here, someone dear <sup>Am D</sup>  
 Takes it all, has to fall <sup>G Em</sup>  
 It seems plain to me <sup>Am D</sup>
