 Heres to us one more toast and then well pay the bill
 E A B E
 Deep inside both of us can feel the autumn chill
 E E E2

Birds of passage, you and me

B E
 We fly instinctively
 E E A B E
 When the summers over and the dark clouds hide the sun
 E A B E
 Neither you nor Im to blame when all is said and done
 (You could play chords or simply pick the intro for that part)

In our lives we have walked some strange and lonely treks
 Slightly worn but dignified and not too old for sex
 Were still striving for the sky
 No taste for humble pie
 Thanks for all your generous love and thanks for all the fun
 Neither you nor Im to blame when all is said and done

Its so strange when youre down and lying on the floor
 How you rise, shake your head, get up and ask for more
 Clear-headed and open-eyed
 With nothing left untried
 Standing calmly at the crossroads, no desire to run
 Theres no hurry any more when all is said and done

Standing calmly at the crossroads, no desire to run
 Theres no hurry any more when all is said and done
