

# Abbey Glover - Hardest Part

Tom: E

m  
I'm so tired of not feeling anything <sup>D</sup>

Em <sup>D</sup>  
So tired of feeling so empty

Em  
Where did everything go as wrong  
As wrong, as wrong as I've always  
<sup>G</sup>  
Been treated before?  
<sup>D</sup>  
When all I ever really wanted  
<sup>G</sup>  
Was to love and be loved in return

Em  
But now I've lost my key and now  
I can't let anyone in  
<sup>G</sup>  
And I'm trying so hard to find it  
But every key that I find it don't fit  
Em  
And this house is so full and messy  
This house i call my head  
<sup>G</sup>  
And I'm trying so hard to find it  
<sup>D</sup>  
But letting you in it's the hardest part

Em <sup>D</sup>  
You say 'babe, I want you so'  
Em  
I say 'I'm so sorry, so sorry  
<sup>G</sup>  
But I gotta let you go'  
Em  
God, I hate to say this to you  
But I think, i think it's best if  
<sup>G</sup>  
We stay apart  
<sup>D</sup>  
So run, run, run, run, run, run  
While you can cause I hurt  
<sup>G</sup>  
Everything that crosses my path

<sup>D</sup>  
It's just who I am

Em  
And now I've lost my key  
And now I can't let anyone in  
<sup>G</sup>  
And I'm trying so hard to find it  
  
But every key that I find it don't fit  
Em  
And this house is so full and messy  
This house I call my head  
<sup>G</sup>  
And I'm trying so hard to find it  
<sup>D</sup>  
But letting you in it's the hardest part  
<sup>Em</sup>  
Letting you in it's the hardest part  
<sup>G</sup>  
Letting you in it's the hardest part  
<sup>D</sup>  
The hardest part

Em  
Oh I know deep down I want you so cause  
I dream of us on the beach, sand in  
<sup>G</sup>  
Our toes  
Dancing around the early hours of the  
<sup>D</sup>  
Morning, hand in hand, softly slowly  
<sup>G</sup> <sup>D</sup>  
Falling in love, with you

Em  
But now I've lost my key  
And now I can't let anyone in  
<sup>G</sup>  
And I'm trying so hard to find it  
But every key that I find it don't fit  
Em  
And this house is so full and messy  
This house I call my head  
<sup>G</sup>  
And I'm trying so hard to find it  
<sup>D</sup>  
But letting you in it's the hardest part
