

# Abbey Glover - Is It Okay?

Tom: B

m Bm  
Baby, you're driving too fast  
Can you feel the rush?  
You're gonna get us both killed  
Oh, but so can love  
Can you feel the thrill?  
One hand on the wheel  
The other on my shoulder  
Am I dreaming or is this real?  
Em  
Fire, water, lightning  
Rushing through my veins  
And I'm still standing, I'm still standing  
A  
What are you doing to me?  
You say is it okay, is it okay  
Darling, is it okay, is it okay if I stay?  
A  
I won't let you down, down, down  
I won't let you down, down, down  
It's a promise, it's a promise  
But is it a promise you can keep?  
Now we're dancing in the street  
Can you feel my heart beat?  
Going so fast  
I think I'm gonna have  
Think I'm gonna have a heart attack  
You say that's what love feels like  
Tell me when you close your eyes at night  
Is it me you see?  
Am I the one that occupies your dreams?  
Em  
Fire, water, lightning  
Rushing through my veins  
And I'm still standing, I'm still standing  
A  
What are you doing to me?  
You say is it okay, is it okay  
Darling, is it okay, is it okay if I stay?  
A  
I won't let you down, down, down  
I won't let you down, down, down  
It's a promise, it's a promise  
But is it a promise you can keep?  
And I don't break promises  
And it's okay, yea it's okay  
Darling, it's okay

But is it a promise you can keep?  
I'm giving you one chance, one chance only  
Love me, love me baby  
It's all or nothing with me  
I'm giving you one chance, one chance only  
Love me, love me baby  
It's all or nothing with me  
Em  
Fire, water, lightning  
Rushing through my veins  
And I'm still standing, I'm still standing  
A  
What are you doing to me?  
You say is it okay, is it okay  
Darling, is it okay, is it okay if I stay?  
A  
I won't let you down, down, down  
I won't let you down, down, down  
It's a promise, it's a promise  
But is it a promise you can keep?  
I'm giving you one chance, one chance only  
Love me, love me baby  
It's all or nothing with me  
I'm giving you one chance, one chance only  
Love me, love me baby  
It's all or nothing with me  
Em  
Fire, water, lightning  
Rushing through my veins  
And I'm still standing, I'm still standing  
A  
What are you doing to me?  
You say is it okay, is it okay  
Darling, is it okay, is it okay if I stay?  
A  
I won't let you down, down, down  
I won't let you down, down, down  
It's a promise, it's a promise  
But is it a promise you can keep?  
It's a promise, it's a promise  
It's a promise  
And I don't break promises  
And it's okay, yea it's okay  
Darling, it's okay
