

Abbey Glover - You Want Me

Tom: C

Your smile, your fake smile
 Is your most worn accessory
 But it don't fool me, it don't fool me at all
 And I know you're down, I know you're down
 But I could pick you off the ground
 I could be around, whenever you want me to
 I know you want me, I know you want me
 I can see it in your eyes
 And I know you need me, I know you need me
 Stop telling me all of these lies
 Cause you're scared to fall in love
 But honey I won't break your heart
 I wanna make, I wanna make you feel understood
 Wanna make you, wanna make you feel good
 I wanna make you feel fine
 Tell me, tell me, tell me where you wanna go

I wanna know, tell me and I'll take you there

I know you want me, I know you want me
 I can see it in your eyes
 And I know you need me, I know you need me
 Stop telling me all of these lies
 Cause you're scared to fall in love
 But honey I won't break your heart
 You don't need to worry baby, no, you don't need to worry baby
 Cause I won't, I won't let you down
 You don't need to worry baby, no, you don't need to worry baby
 Cause I won't, I won't let you down
 I know you want me, I know you want me
 I can see it in your eyes
 And I know you need me, I know you need me
 Stop telling me all of these lies
 Cause you're scared to fall in love
 But honey I won't break your heart
