Tom: C

```
A                  Gbm        Gbm Dm     Bm       E7
I know I should pity me, but I don't because, you see
Gbm       Gbm       Fdim       A
I have loved and  I  have learned
Bm    E7      Fdim     E7
And as far as I'm concerned
Bm          E7   F#M7       Bm  E7    A
I should care  I should go around weeping
Em       Gb7  Bm                        Bm
I should care  I should go without sleeping
    Gbm     Bm        E7         F        Em      A  Gbm
Strangely enough I sleep well,  except for a dream or two
    Ebm    Db7      Gbm        Am
But then, I count my sheep well
   B7        Bm     E7            E7/13-
```

```
Funny how sheep can lull you to sleep
Bm E7    A  Bm          E7         A
So,  I should care    I should let it upset me
Em       Gb7  Bm                   Dm
I should care     but it just doesn't get me
   Gbm           Bm      Fdim      Gbm  Gbm  B7 Cdim
Maybe I won't find someone   as   lovely  as   you
       Bm        E7        A  Bm E7
But I should care, and I do
Interlude: A Gbm Gbm Dm Bm E7 Gbm Gbm Fdim A
    Gbm          Bm      Fdim      Gbm  Gbm B7   Cdim
Maybe I won't find someone   as   lovely  as  you
Bm     E7   Dbm        Gb7
   I should care,  I  should care
Bm     E7         A   Gm A
I should care, and I do
