

Abbey Lincoln - Somos Novios

Tom: G

Somos novios
 Pues los dos sentimos mutuo amor profundo
 Y con eso ya ganamos
 lo mas grande de este mundo
 Nos amamos
 Nos besamos como novios
 Nos deseamos
 Y hasta a veces

Sin motivos, sin razon nos enojamos
 Somos novios
 Mantenemos un cariño limpio y puro
 Como todos procuramos el momento mas oscuro
 Para hablarnos, para darnos
 El mas dulce de los besos
 Recordar de que color
 Son los cerezos, sin hacer mas comentarios
 Somos novios
