

# Abílio Manoel - América Morena

tom:

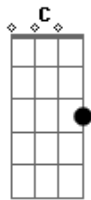

Trago um continente  
 Que mora em mim  
 Cruzando as fronteiras por onde eu vim  
 Levo essa morena  
 No meu coração  
 Minha liberdade na palma da minha mão  
 América, desperta  
 Para o dia de amanhã  
 Morena me acorda  
 Para o dia de amanhã

Quero ver teu seio  
 Banhado em luz  
 Em teus campos verdes  
 Teu corpo em cruz  
 E de um filho teu  
 Os passos de um homem  
 De pele morena  
 Da cor da nossa união  
 América, desperta  
 Para o dia de amanhã  
 Morena me acorda  
 Para o dia de amanhã
