

Absofacto - Dissolve

tom:

Intro: Gbm C

Gbm B
No flask can keep it

Bbm Gbm
Bubble up and cut right through

B
But you're someone I believe in

Gbm B
You heat me like a filament

Anytime you're in the room

B
But you burned me and I'm smoking

D B Gbm
I just wanted you to watch me dissolve Slowly

E Bbm A Bbm
In a pool full of your love

D B Gbm
But I don't even know how the chemistry works

E
When you're poolside

Bbm
Kicking in the dirt

A
Kicking in the sand

Bbm
And stirring up trouble

Gbm B
Your voice like an angel

Bbm
Been chain smoking all month long

B
Like you're someone I believe in

Gbm B
Am I only a lab rat?

Gbm
Someone you can test things on?

A
This isn't what I signed up for

D B Gbm E
I just wanted you to

Bbm D A Bbm
I just wanted wanted

D B Gbm
I just wanted you to watch me dissolve Slowly

E Bbm A Bbm
In a pool full of your love

D B Gbm
But I don't even know how the chemistry works

E
When you're poolside

Bbm
Kicking in the dirt

A
Kicking in the sand

Bbm
And stirring up trouble

Gbm B
Can't find an exit

Gbm
I wander in a maze alone

B
If I find you will you shock me?

Gbm B
Left left and right right

Gbm
Pretty sure that I've been here before

B
And it isn't what I wanted

D B Gbm
I just wanted you to watch me dissolve Slowly

E Bbm A Bbm
In a pool full of your love

D B Gbm
But I don't even know how the chemistry works

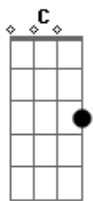

E
When you're poolside

Bbm
Kicking in the dirt

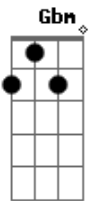

A
Kicking in the sand

Bbm
And stirring up trouble
