

Absofacto - Dissolve

tom:

Intro: **Gbm** **C**

Gbm **B**
No flask can keep it

Gbm
Bubble up and cut right through

Gbm **B**
But you're someone I believe in

Gbm **B**
You heat me like a filament

Gbm
Anytime you're in the room

B
But you burned me and I'm smoking

D **B** **Gbm**
I just wanted you to watch me dissolve Slowly

E **Bm** **A** **Bm**
In a pool full of your love

D **B** **Gbm**
But I don't even know how the chemistry works

E
When you're poolside

Bm
Kicking in the dirt

A
Kicking in the sand

Bm
And stirring up trouble

Gbm **B**
Can't find an exit

Gbm
I wander in a maze alone

B
If I find you will you shock me?

Gbm **B**
Left left and right right

Gbm
Pretty sure that I've been here before

B
And it isn't what I wanted

D **B** **Gbm**
I just wanted you to watch me dissolve Slowly

E **Bm** **A** **Bm**
In a pool full of your love

D **B** **Gbm**
But I don't even know how the chemistry works

E
When you're poolside

Bm
Kicking in the dirt

A
Kicking in the sand

Bm
And stirring up trouble

Gbm **B**
Your voice like an angel

Gbm
Been chain smoking all month long

B
Like you're someone I believe in

Gbm **B**
Am I only a lab rat?

Gbm
Someone you can test things on?

A
This isn't what I signed up for

D **B** **Gbm** **E**
I just wanted you to

Bm **D** **A** **Bm**
I just wanted wanted

D **B** **Gbm**
I just wanted you to watch me dissolve Slowly

E **Bm** **A** **Bm**
In a pool full of your love

D **B** **Gbm**
But I don't even know how the chemistry works

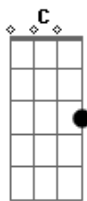

E
When you're poolside

Bm
Kicking in the dirt

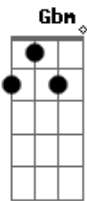

A
Kicking in the sand

Bm
And stirring up trouble
