

Absynthe Minded - Only Skin Deep

Tom: **Eb**
Intro: **Eb Ab G D**

Eb **Ab**
It's on the tip of my tongue
G **D** (Repete até o refrão)
Only skin deep
It's about what we've become
Without defeat
And it's needless to say
I guess I'm well bred
But I don't always wanna hang
With the rest of the gang

Refrão:
Eb **Cm**
Ooh it's amazing
G **Bb**
We all wanna get it right
Eb **Cm**
Sometimes baby
G **Bb**

You gotta let it all hang out

Solo: (**Eb Ab G D**)

Wheels within wheels
The chrome wheel speaks
It creaks and it swallows
The man machine

Do you hear a guitar speak
A seasonal language
The only one that everybody
Understands

Eb **Cm**
Ooh it's amazing
G **Bb**
We all wanna get it right
Eb **Cm**
Sometimes baby
G **Bb**
You gotta let it all hang out [2x]

Acordes
