Lyrics:
Night Prowler

Somewhere a clock strikes midnight
And there's a full moon in the sky
You hear a dog bark in the distance
You hear someone's baby cry
A rat runs down the alley
And a chill runs down your spine
Someone walks across your grave
And you wish the sun would shine
No one's gonna warn you
And no one's gonna yell 'Attack'
And you don't feel the steel
Till it's hanging out your back

CHORUS:
I'm your Night Prowler, asleep in the day
I'm your Night Prowler, get out of my way
Look out for the Night Prowler, watch you tonight
I'm the Night Prowler, when you turn out the light ...

Too scared to turn your light out
'Cos there's something on your mind
Was that a noise outside your window?
What's that shadow on the blind?
As you lie there naked
Like a body in a tomb
Suspended animation
As I slip into your room

CHORUS

Solo

CHORUS

I'm your Night Prowler, break down your door
I'm your Night Prowler, crawling 'cross your floor
I'm your Night Prowler, make a mess of you, yes I will
Night Prowler, and I am telling this to you
There ain't nothing you can do
