everything that you've done for me  
well thanks a lot  
c'mon, get up off your bended knees  
y'can , set your mind at ease  
my temperature's running hot  
and I've been waiting all night for a bite of what  
you've got,and

y' say that that you play too loud  
well baby that's tough  
y'say that you got too much  
can't get enough  
tell you that you look a fool  
baby I'm a fool for you  
say that you're my disease  
well, shake your stuff

(refrão)  
just a boy with a toy ( ??? )  
come on and take your choice  
cos you're way out of reach  
living in your sin you gotta practise what you preach
