

Accept - The King

Tom: **F**

Dm
He was a leader of a small gang
C
Committing crimes each day
Dm
But time has changed where he was proud
C
It's so far away

Bb
He took living easy, his bad reputation
Gm
Oh, it was known all around
Am
But he didn't care, no - he made dirty money
Bm
Now he is down and out

Thought he knew the tricks of life
Prowling in the dark

Now he's left by all his friends
'Cause he lived apart, of them

Dm
He was a leader, malicious and violent
C
His fame is covered with blood
Dm
Now he's just a number, he lost all his power
C
The king has lost his face

F **C**
Down down down, oh, a king lost his crown
Dm **Bb**
Caught and sentenced, he was guilty
F **C**
Down down down, oh, a king lost his crown
Dm **Bb**
It's too late for to hide
Dm
Late for to hide
