

Accept - The King

Tom: F

Dm
 He was a leader of a small gang
C
 Committing crimes each day
Dm
 But time has changed where he was proud
C
 It's so far away

Bb
 He took living easy, his bad reputation
Gm
 Oh, it was known all around
Am
 But he didn't care, no - he made dirty money
Bm
 Now he is down and out

 Thought he knew the tricks of life
 Prowling in the dark

Now he's left by all his friends
 'Cause he lived apart, of them

Dm
 He was a leader, malicious and violent
C
 His fame is covered with blood
Dm
 Now he's just a number, he lost all his power
C
 The king has lost his face

F **C**
 Down down down, oh, a king lost his crown
Dm **Bb**
Caught and sentenced, he was guilty
F **C**
 Down down down, oh, a king lost his crown
Dm **Bb**
 It's too late for to hide
Dm
 Late for to hide
