A creature made of sunshine

Rabbit howls like something old
Bm
As we twitch to her lullaby

The scalpel shines in gods sunshine
Gbm
Street lights whisper pain
Gbm
Down here near the poison stream
Gbm
You're god has gone insane

[Refrão]

Bm
She smiles like a child with flowers in her hair
Bm
With blood on her hands into the sun she stares
Gbm Gbm
She feels it die, I heard her cry

Parte 1 (Contrabaixo):

[Primeira Parte]

Bm
Sunshine a house in flames
Bm
She likes it where she gets it
But it's never felt the same

Bm
Surgery in the house of dissection
Bm
When your candle burns out I will resurrect you

Bm
She runs through fields of daisies
Bm
Yeah it's just a shame
That they eat their own babies

Bm
Who cares cause the air is free
Bm
When you get there will you kiss the dead for me?

Riff Principal (Guitarra):

Riff Principal (Contrabaixo):

Início da Estrofe:

There's blood on the moon
And the summer is cold
There's love in the room
But baby that's gettin' old
There's blood on my face
Sittin' on a dead shore
A highway of emptiness
And I'm feeling old

Bm Gbm Bm Gbm
Aaah, Oooh, Aaah, Oooh

[Riff Principal]

[Solo]

There's blood on the moon
As we plan our escape
The goddess in bloom
Handcuffed and raped
There's blood in the bath tub
Murder the king
There's blood on the moon
There's blood on just about everything

[Riff Principal]

Bm Gbm Bm Gbm B
Aaah, Oooh, Aaah, Oooh
