

Acústico Rockfeller - Midway Through Drunk

Tom: E

E7

I was there at the right time, the right place In my right hand
I had an empty glass of beer Midway through drunk

E7

In my head I was lost into some Dylan's rhythm
I look around and then I see what I was looking for

E7

Those lips, those eyes Suggestive lines
Under the fancy dress

E7

For you know I couldn't spend another goddam minute

She was alone and drinking whisky like there's no tomorrow
Midway through drunk

Solo guitarra: E7 - A7 - G

E7

Talking to her surprised me way beyond my thoughts
I went casual and got involved beyond my will
Never felt this crazy since my first time with a woman
That night we got so crazy holed up in that old motel

E7

Those hips, hazy eyes Lost in us

We are losing ourselves being one

Solo harmônica: E7
