

Adam Carroll - Full Moon Shining Down

tom:
Intro: C] G

Out on the open Highway
With the full moon shining down F
My heart could break a thousand times C D7
And never make a sound G C
The world was lost and lonely
And I was Creeping in F
I dreamed I?m driving all night long C
And never giving in G C
Well, I dreamed the inspiration F
And I fell on the road C D7
She ask me not to come back G C
I begged her not to go
She dreamed about a blessing bride F
There in her wedding gown C
Out on the open highway G C
With the full moon shining down F
Out on the open highway C F
With the full moon shining down C D7
My heart could break a thousand times G
Before the sun goes down F C
Well, every time I?ve set them up F
Somebody?s knock them down C
Out on the open highway G C
With the full moon shining down
Well, I dreamed the inspiration

I felt like god?s first child F
Out on the open highway C
With the freedom most so while D7 G C
She dreamed a thousand love songs F
There in her pretty head F
I?m out here on the highway C
She?s wishing I were there G C
Well, I dreamed a thousand yesterdays F
With roses and rain F
But I stood and watched her walk away C D7
Her heart was locks and chains G C
Out here on this old highway F
I got to make some ground C
Something out here waits for me G C
With the full moon shining down
Out on the open highway F
With the full moon shining down C F
My heart could break a thousand times C
Before that old red sun goes down D7 G F
Well, my friends are out here somewhere C F
And they?re scared all around F
Out on the open highway C
With the full moon shining down G D
Well, every time I?ve set them up F C
Somebody?s knocked them down F
Out on the open highway C
With the full moon shining down G C D C
