

Adam Carroll - Full Moon Shining Down

Intro: C] tom:
 G
 Out on the open Highway
 With the full moon shining down F
 My heart could break a thousand times C D7
 G C
 And never make a sound
 The world was lost and lonely
 And I was Creeping in F
 I dreamed I?m driving all night long C
 G C
 And never giving in
 Well, I dreamed the inspiration
 And I fell on the road F
 She ask me not to come back C D7
 G C
 I begged her not to go
 She dreamed about a blessing bride
 There in her wedding gown F
 C
 Out on the open highway
 With the full moon shining down G C
 F
 Out on the open highway
 With the full moon shining down C F
 My heart could break a thousand times C D7
 G
 Before the sun goes down
 F C
 Well, every time I?ve set them up
 F
 Somebody?s knock them down
 C
 Out on the open highway
 G C
 With the full moon shining down
 Well, I dreamed the inspiration

I felt like god?s first child F
 Out on the open highway C
 D7 G C
 With the freedom most so while
 She dreamed a thousand love songs F
 There in her pretty head F
 I?m out here on the highway C
 G C
 She?s wishing I were there
 Well, I dreamed a thousand yesterdays F
 With roses and rain F
 But I stood and watched her walk away C D7
 G C
 Her heart was locks and chains
 Out here on this old highway F
 I got to make some ground F
 C
 Something out here waits for me
 G C
 With the full moon shining down
 F
 Out on the open highway
 C F
 With the full moon shining down
 My heart could break a thousand times C
 D7 G F
 Before that old red sun goes down
 Well, my friends are out here somewhere C F
 And they?re scared all around F
 C
 Out on the open highway
 G D
 With the full moon shining down
 F C
 Well, every time I?ve set them up
 F
 Somebody?s knocked them down
 C
 Out on the open highway
 G C
 With the full moon shining down D C
