

# Adam Carroll - Full Moon Shining Down

Intro: C] tom:  
 G  
 Out on the open Highway  
 With the full moon shining down F  
 My heart could break a thousand times C D7  
 G C  
 And never make a sound  
 The world was lost and lonely  
 And I was Creeping in F  
 I dreamed I?m driving all night long C  
 G C  
 And never giving in  
 Well, I dreamed the inspiration  
 And I fell on the road F  
 She ask me not to come back C D7  
 G C  
 I begged her not to go  
 She dreamed about a blessing bride  
 There in her wedding gown F  
 C  
 Out on the open highway  
 With the full moon shining down G C  
 F  
 Out on the open highway  
 With the full moon shining down C F  
 My heart could break a thousand times C D7  
 G  
 Before the sun goes down  
 F C  
 Well, every time I?ve set them up  
 F  
 Somebody?s knock them down  
 C  
 Out on the open highway  
 G C  
 With the full moon shining down  
 Well, I dreamed the inspiration

I felt like god?s first child F  
 C  
 Out on the open highway  
 D7 G C  
 With the freedom most so while  
 She dreamed a thousand love songs  
 F  
 There in her pretty head  
 C  
 I?m out here on the highway  
 G C  
 She?s wishing I were there  
 Well, I dreamed a thousand yesterdays  
 F  
 With roses and rain  
 C D7  
 But I stood and watched her walk away  
 G C  
 Her heart was locks and chains  
 Out here on this old highway  
 F  
 I got to make some ground  
 C  
 Something out here waits for me  
 G C  
 With the full moon shining down  
 F  
 Out on the open highway  
 C F  
 With the full moon shining down  
 C  
 My heart could break a thousand times  
 D7 G F  
 Before that old red sun goes down  
 Well, my friends are out here somewhere  
 C F  
 And they?re scared all around  
 C  
 Out on the open highway  
 G D  
 With the full moon shining down  
 F C  
 Well, every time I?ve set them up  
 F  
 Somebody?s knocked them down  
 C  
 Out on the open highway  
 G C  
 With the full moon shining down D C
